

To who it may concern:

I watch station WGGB in Springfield, MA and have heard that they plan on airing an anti-Kerry program entitled "Stolen Honor" next week. I do not believe a large media corporation should use their influence to support their candidate. The only equitable solution is to air a similar anti-Bush program soon after or before the aforementioned program. Or better yet to not air any such programs. Thank you for your consideration.

Sincerely,
Margaret A. Pagliarulo
